Two Styles For Motor Wear

By La Raconteuse.

Either the very long or three-quarter length coat is considered correct and practical for motor wear. The three-quarter length is illustrated in black and white checked gabardine. Ample sized patch pockets and rippling fullness are features of this coat. A circular cape, hip length, is fashioned so that it may throw back over the shoulders or fasten high at the throat. A practical motor hat of patent leather, and a heavy veil complete the outfit.

IS YOUR NAME IN THE LIST BELOW?

If it is, you are invited to the next News-Times Birthday Party. Trips to all theaters and refreshments will be on the program.

The News-Times Birthday Party is open to all school children in South Bend and Mishawaka, whether in public or private schools, regardless of whether or not their parents are News-Times subscribers.

A list of all school children in the public and private schools of South Bend and Mishawaka has been compiled. On the date of the child's birthday his or her name is printed in The News-Times and on the Saturday following such publication the boy or girl comes to the circulation department of The News-Times and receives a coupon ticket which admits bearer to the Orpheum, LaSalle, Surprise and Colonial theaters, also a treat at the fountain of the American Drug Co. Children living 10 or more blocks from the office are given return car fare home.

On account of the Orpheum and the Majestic being closed temporarily, it is suggested that the children save the tickets until the fall season starts, when they will be honored. Tickets are good any Saturday, so if the full number of tickets is not used in one day, they are good any succeeding Saturday.
